God had granted Abram continuously and open heaven. The Covenant was reviewed to him. The Covenant was established before him. Perfect and at peace with God.

- ".....walk before me, and be thou perfect" (Gen: 17:1c). What does this commandment mean to Abram?

- Why must there be a *circumcision* for a *token* of the Covenant?

-Why is the token established on the "*man child*" and while on the "*eight*" day?

- Abram's and Sarai's names before the covenant where both changed to Abraham and Sarah. Why?

- Can we related this covenant with Abraham with the perpetual Covenant God had with Noah in (Gen: 9)

- Ishmael was circumcised with Abraham same day and indeed received prophetic blessing of the Lord: but the unborn Isaac shall be the son indeed on whom the everlasting Covenant shall be established. Discuss.
