

## **LESSON 15- Abraham Interceding For Sodom**

### **1.0 Text**

**Gen: 18:17-33**

### **2.0 Preambles**

The gradual perfection of our humanity before God, bring us to the place of love, mercy and truth. It brings us to the office of the Priest, ministering and selflessly interceding for others. Nothing is hidden to the Priest, just as nothing could be denied the Priest who is a friend before God. Abraham grew up to that estate, in his relationship with God. He would intercede not just for the whole condemned city of Sodom but also for the endangered household of Lot. The fervent prayers of the saint availeth much.

Our dedicated prayers of intercession before God for the church and the nations certainly availeth much.

### **3.0 Discussions / Interactions**

- God had a good knowledge of Abraham just as Abraham had of God. (Gen: 18:19). How much of God, His ways, His acts and works do we know from our walk with Him?
- Intercession springs up from the Priestly burden of love for others. What burden of intercession do you carry right now for others?
