

LESSON 17-: Abraham, Tried and Proved.

1.0 Text

Genesis:22:1-3

Genesis:22:6-13

Genesis:22:15-18

2.0 Preambles

God would use the most scaring circumstances to try our faith. It would accordingly take our most unalloyed sincerity and obedience to prove our yieldedness and faithfulness to Him in which case we are ready to give all we have as willing offering of worship unto God. God demanded the only son, the son of promise that Abraham loved as an offering of worship unto him. Let's remember that we cannot worship the God we do not love, just as we cannot obey the God we did not love. God must bring Abraham to the perfect reality of God's virtue and the REST entrenched in the Covenant. Let us remember too that God gave us His only son for loving us.

3.0 Discussion / Interaction

- Can we discuss the level of spiritual maturity displayed by Abraham at domestic level?
- Can we discuss the most uncommon faith displayed by Isaac-the son in Abraham-the father (Gen:22:9-10).
- can we evaluate the spiritual significance of Abraham's altar on mount Moriah, to his placement in the perpetual covenant?
- "..... upon one of the mountains which I will tell thee of" (Gen:22:2). How do we appropriate God's location and timing for us in our spiritual walk with him?
